

ABOUT ISPOR & Organizational Support of Health Policy

Diana I. Brixner, RPh, PhD

Professor and Chair, Department of Pharmacotherapy
Executive Director, Pharmacotherapy Outcomes Research Center

*TWMU Presentation
September 12, 2014*

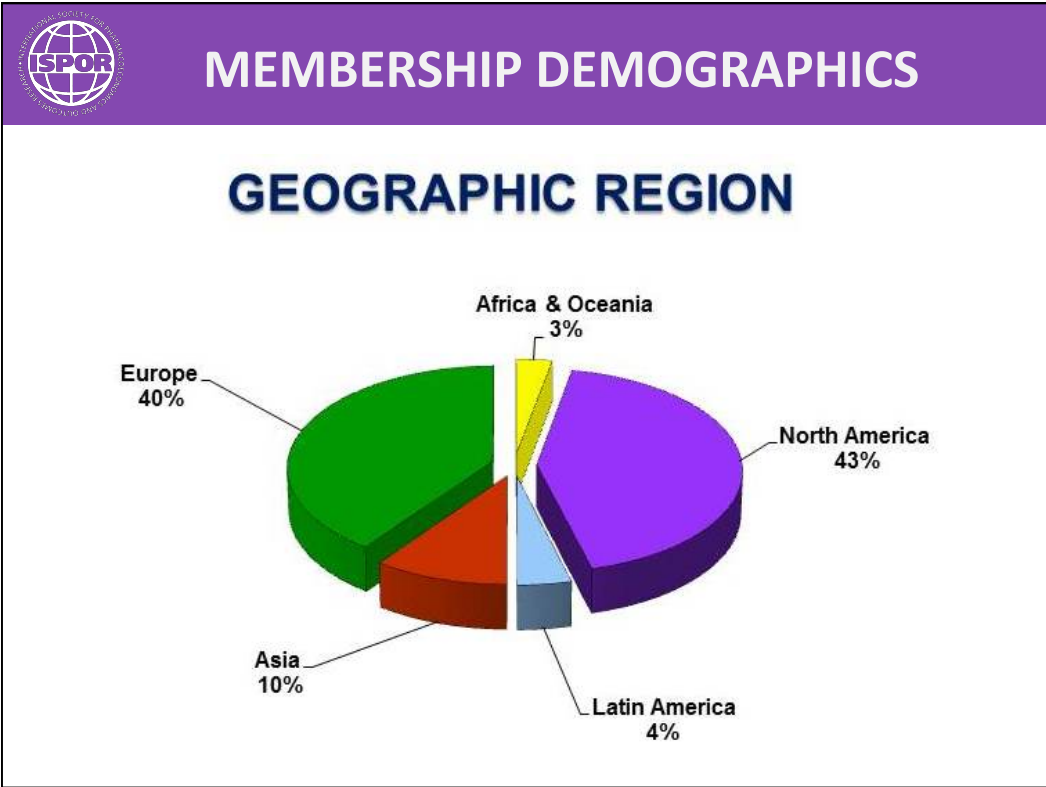

Translating Outcomes Research
to Health Care Decisions

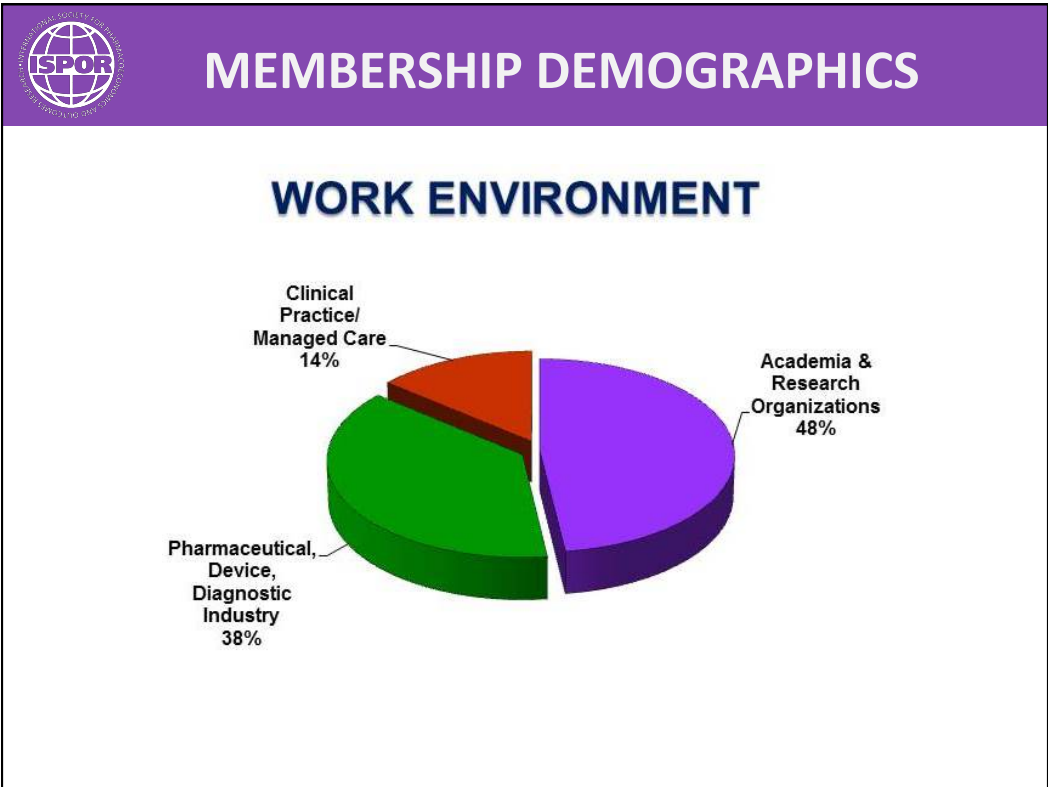

ABOUT ISPOR

International Society for Pharmacoeconomics
and Outcomes Research

www.ispor.org

THE MISSION OF ISPOR

is to increase the efficiency, effectiveness, and fairness of health care to improve health.

RESEARCH AND HEALTH POLICY

- Outcomes Research Guideline Index
- Good Practices for Outcomes Research
- International Digest of Databases
- Global Health Care Systems Road Map
- Pharmacoeconomic Guidelines around the World

EDUCATION AND GLOBAL OUTREACH

- Short Courses
- Distance Learning
- Educational Videos and Webinars
- Regional Consortia, Network, and Chapters
- Student Network and Chapters

PUBLICATIONS

Value in Health

Value in Health Regional Issues

ISPOR CONNECTIONS

- eBulletin
- News Across Asia
- News Across Latin America
- News Across Central & Eastern Europe
- ISPOR Books

SPECIAL INTEREST GROUPS AND TASK FORCES

6 Special Interest Groups (SIGs)

Interested in a specific topic? Join a SIG!

4 Good Practices for Outcomes Research Task Force Reports Published this year!

The figure shows two screenshots of the ISPOR website. The left screenshot displays the 'Special Interest Groups' page, which lists six groups: Health Technology Assessment, Medical Devices & Diagnostics, Medication Adherence and Persistence, Patient-Reported Outcomes, Personalized Medicine, and Rare Diseases. The right screenshot displays the 'Task Forces' page, which lists four task forces: Clinical Outcomes Research, Cost Effectiveness Analysis, Patient and Observer-Reported Outcomes, and Simulation Modeling Applications in Health Care Delivery Research.

GOOD PRACTICES FOR OUTCOMES RESEARCH

47 Good Practices Task Force Reports
Published in *Value in Health* and available FREE to download at the ISPOR website

224,000 downloads in the past 12 months!

Translated into multiple languages, including Spanish, Chinese, Portuguese, Bosnian, and Russian.
(Arabic, Armenian, Croatian, Kazakh, Korean, Polish, Serbian, and Thai in progress)

Health Technology Assessment Directory

Centralized information on worldwide organizations engaged in health technology assessment

To contribute and / or update information, please email: HTAdirectory@ispor.org.

SCIENTIFIC PRESENTATIONS DATABASE

An electronic database of research papers presented at ISPOR Meetings

Over 27,000 research abstracts
Over 50% of these presentations include a PDF file of the poster presentation or podium slides

TOOLS FOR PATIENTS

Look for interviews with key opinion leaders on Patient Topics on ISPOR's YouTube channel!

ISPOR Patient Representatives Roundtables

THE MISSION OF ISPOR

is to increase the efficiency, effectiveness, and fairness of health care to improve health.

DISTANCE LEARNING PROGRAM

Outcomes Research Methods	Economic Methods	Modeling Methods	Patient-Reported Outcomes	Patient-Preference Methods	Observational Data Methods
Introduction to Outcomes Research	Introduction to PE	Modeling: Characteristics of Health Care Costs	Health-Related Quality of Life (HRQOL) - Basics	An Introduction to Conjoint Analysis	Use of Public Survey Data in Health Outcomes Research
Introduction to Systematic Reviews & Meta-Analysis	Cost-of-Illness/ Cost-Estimation (COI/CE)	Modeling: Methods and Guidelines	PRO Analysis and Interpretation		
Systematic Review & Meta-Analysis: Applications	Cost-Minimization/ Cost-Consequence (CMA/CCA)	Modeling: Estimation from Censored Data	PRO Instrument Development		
	Cost-Effectiveness Analysis (CEA) and Cost-Utility Analysis (CUA)	Markov Modeling	Item Response Theory – A Conceptual Introduction		
		Introduction to Budget Impact Analysis	Preparing for Multinational Clinical Trials: Translation & Cultural Adaptation of PRO Measures		
			Evidence Generation for Patient Reported Outcome (PRO) Label Claims		

Select iDLP Modules Available in:
Spanish, Bosnian, Chinese-Simplified, Portuguese, Turkish & Ukrainian

Translations in Progress:
Arabic, Polish, Serbian & Turkish

EDUCATIONAL WEBINAR SERIES

Learn about best methodology practices for outcomes research directly from the authors of ISPOR Good Practices Reports!

Webinar Topic Areas

- Modeling Methods
- Economic Evaluations Methods
- Patient Centered & Clinician Reported Outcomes Methods
- Preference-Based Methods
- Use of Outcomes Research in Health Care Decisions

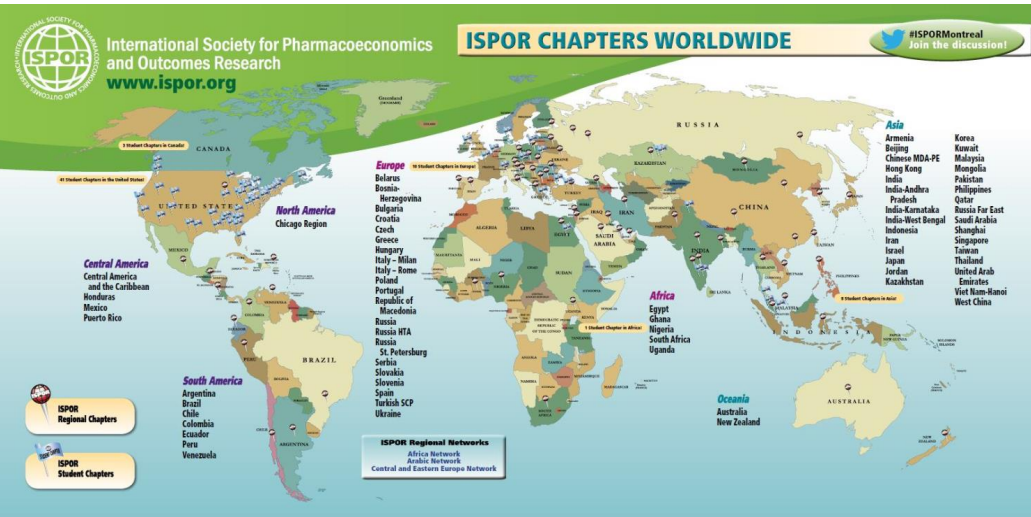

Live webinars are a membership benefit and open to all ISPOR Members.

Visit http://www.ispor.org/education/Educational_Webinars.asp for more information and to view all previously recorded webinars!

Value in Health Regional Issues

Co-Editors-in-Chief

Bong-Min Yang, PhD

Dan Greenberg, PhD

Federico Augustovski, MD, MSc, PhD

CALL FOR PAPERS!

Are you presenting research at the Congress from the Asia-Pacific, Latin-America, or Central & Eastern Europe and Western Asia regions? If so, we encourage you to submit your research to *Value in Health Regional Issues*.

Please see www.ispor.org/publications/VIHRI/index.asp for more information.

ISPOR CONNECTIONS

Editor-in-Chief

David Thompson, PhD

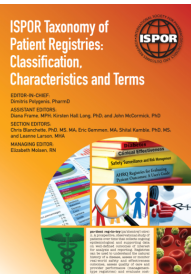

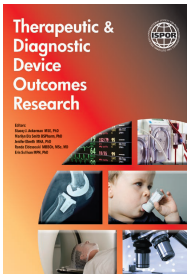

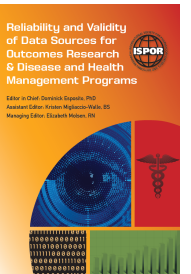

CALL FOR PAPERS!

ISPOR CONNECTIONS invites articles based on work with pragmatic or policy-related implications for health and health care as well as outcomes research methodological issues. Issue Categories for *ISPOR CONNECTIONS* include: Economic Evaluation; Outcomes Assessment; Policy Analysis.

Please see <http://www.ispor.org/news/ICconnections.aspx> for more information.

The image is a screenshot of the ISPOR (International Society for Pharmacoeconomics and Outcomes Research) website. The website has a green header with the ISPOR logo and navigation links. Below the header is a banner with a building image and a headline. The main content area is divided into several sections. Blue callout boxes with white text and red arrows point to specific parts of the website:

- Working Groups**: Points to the 'Working Groups' link in the top navigation bar.
- Worldwide Meetings**: Points to the 'MEETINGS' link in the top navigation bar.
- ISPOR Publications**: Points to the 'Publications' link in the top navigation bar.
- Global Network**: Points to the 'Global Network' link in the top navigation bar.
- Join the Discussion**: Points to the 'Join the Discussion' button in the top right corner.
- Online Resources**: Points to the 'Online Resources' button in the top right corner.
- Patients**: Points to the 'Patients' link in the top navigation bar.
- Education**: Points to the 'EDUCATION' link in the top navigation bar.
- Educational Videos**: Points to the 'Educational Videos' link in the top navigation bar.

The website content includes:

- Header**: ISPOR logo, navigation links (Councils & Roundtables, Regional Consortia, Regional Chapters & Networks, Interest Groups, Task Forces, Students, Awards, Press, Links, Site Map, Contact), and a search bar.
- Banner**: A large image of a building with the headline 'To What Extent Should Value For Money Derived from Health Economic Analysis Be Used in Health Care Policy Decision Making?'.
- Main Content Area**:
 - Left Column**: 'ISPOR Publications' (listing various publications), 'Global Network' (listing regional chapters), and 'GLOBAL NETWORK' (listing regional chapters).
 - Center Column**: 'ISPOR 6th Asia Pacific Conference' (6-9 September 2014, Beijing International Convention Center, Beijing, China), 'ISPOR 17th Annual European Congress' (8-12 November 2014, Amsterdam RAI, Amsterdam, The Netherlands), and 'Recent Meetings'.
 - Right Column**: 'ANNOUNCEMENTS' (listing various announcements), 'EDUCATION' (listing educational programs), and 'HIGHLIGHTS FOR THE MONTH'.
