#### Declares that Vision Zero

1. Is a strategy and holistic mindset for prevention, which is built on the common desire to promote and establish a global prevention culture, and aims at reducing accidents and occupational diseases, and at promoting safety, health and well-being at work;
4. Contributes to the 2030 Sustainable Development Goals, in particular SDG 8 (Decent Work and Economic Growth), SDG 3 (Good Health and Wellbeing), SDG 4 (Quality Education) and SDG 17 (Partnerships for the Goals);

### EXPO2025 OSAKA, KANSAI, JAPAN PRESENTATION

## Designing Future Society for Our Lives

## Kick-off Meeting @ORP Congress 2023 (Bilbao, Spain)

April 26-28, 2023

Concurrent with ORP Congress 2023, the kick-off meeting of the Global Initiative for Safety, Health and Well-being @ EXPO2025 and BEYOND was held, and prominent occupational safety and health leaders from international organizations pledged their support to the ambitious initiative.

## 1st General Meeting (Osaka, Japan)

May 10, 2023

### Organization chart of the Global Initiative for Safety, Health, and Well-being @EXPO2025 and BEYOND

The first GISHW meeting in Osaka, Japan discussed plans for EXPO2025. It launched 3 Working groups to prepare detailed proposals for the 1st Executive Meeting during the World Congress on Safety and Health at Work in Sydney, Australia, in November 2023. The EXPO Association outlined the event's significance and thematic focus areas. The GISHW team communicated their objectives, aligning with the EXPO's goals, particularly Vision Zero. Attendees proudly wore blouses with "Vision Zero Journey," symbolizing their dedication to realizing Vision Zero for ALL by 2025 and beyond, in sync with the EXPO's schedule.

GISHW Update

VZSI 2022

Kick-off @Bilbao

1st Gen. Meeting (Osaka)

1st Executive Meeting (Sydney)

During the GISHW Executive Committee Meeting held at the 23rd World Congress on Safety and Health at Work in Sydney, members reaffirmed their commitment to the safety, health, and well-being of workers worldwide. They renewed their determination to use EXPO 2025 as a platform to advocate for the importance of workers' well-being and to bring about positive changes in the global working environment.

# - People's Living Lab -

A laboratory for a future society

- 1** A space where 8 billion people from around the world will not only view exhibits but will co-create our future society.
- 2** Even before the Expo begins, an online platform for sharing challenges and solutions from around the world will be launched.
- 3** A place where the world's knowledge such as cutting-edge technology will be brought together, used to create new ideas, and shared, all to help resolve global issues facing mankind.

# The Gift for the Future “Safety, Health & Well-being for 8 Billion People

## Safety, Health, and Well-being of all workers — not a single worker left behind

● Safety, Health, Well-being of All

● Safety, Health, Well-being of Society

● Safety, Health, Well-being of Companies and Industries

● Safety, Health, Well-being of Family and Friends

● **Safety, Health, Well-being of Workers**

- Safety, Health, Well-being of Workers form the foundation of society as a whole.
- No industry or profession can achieve the Safety, Health, Well-being of society as a whole without ensuring the Safety, Health, Well-being of its workers.

# GISHW活動の何がユニークで何が特徴か？

(世界初1)

「働く人の安全・健康・ウェルビーイング」をテーマとしたイベントを、**万博170年の歴史において世界で初めて日本で開催**

(世界初2)

世界中の「安全・健康・ウェルビーイング」の専門家、国際機関、企業経営者、ロボットやAI技術の専門家、国際標準化の専門家等が**一堂に介し、将来に向かって「協創: Co-Creation」目指すイベントを日本で開催**

(世界初3)

このGISHW活動は決まった団体や企業だけで行っているのではなく、「安全」「健康」「ウェルビーイング」に関心のある機関、企業の人々が**草の根的に拡大し続けている極めてユニークなグローバル活動**

# GISHW

Developers & producers of state-of-the-art wellbeing technologies  
Technical Professionals

AI, Robot, IOT, AMR, Production, Engineering

International Promoters

ILO standards, WHO guidelines, EU Directives, International Standards (ISO, IEC)...

Safety, Health, Wellbeing Experts

Sharing and inspiring others with their insightful expertise, engaging with a wide range of stakeholders.

Corporate Executives, Leaders, and Managers

Boost employee engagement and productivity while Contributing to society

Concept

**- People's Living Lab -**  
A laboratory for a future society

- 1 A space where 8 billion people from around the world will not only view exhibits but will co-create our future society.
- 2 Even before the Expo begins, an online platform for sharing challenges and solutions from around the world will be launched.
- 3 A place where the world's knowledge such as cutting-edge technology will be brought together, used to create new ideas, and shared, all to help resolve global issues facing mankind.

是非多くの皆様  
一緒にご参加  
ください！

All stakeholders –Developers and producers of state-of-the-art wellbeing technology such as digital/AI prevention tools, OSH experts, corporate executives, government policy makers – will join as exhibitors and visitors.
